

This outline organizes your collaboration proposal between **Mixue** and **CU Mart** for a Chinese New Year (CNY) campaign. It uses the structure provided in your document to detail the joint menu, promotional mechanics, and negotiation goals¹.

Negotiation Outline: Mixue x CU Mart CNY Collaboration

Section	Details
Parties Involved ²	Mixue: Marketing Manager and Product Development Lead.³ CU Mart: Partnership Manager and Operations Lead.⁴
Purpose/Goal ⁵	To establish a seasonal partnership for CNY, driving foot traffic to both outlets through a shared "CNY Prosperity Combo" and social media engagement. ⁶

Preparation⁷

- **Research/Information:** Mixue’s strength is affordable desserts; CU Mart’s strength is diverse ready-to-eat meals.⁸
- **Primary Goals:** Launch the "Mandarin Ice Cream & Prosperity Bowl" combo and synchronize the "Fortune Cookie" reward system.⁹
- **Other Party’s Aim:** To increase "basket size" (customers buying more items per visit) and gain exposure to each other’s loyal fanbases.¹⁰
- **BATNA (Back-up Plan):** If a full combo isn't agreed upon, propose a simpler "cross-voucher" system where a receipt from one store gives a discount at the other.¹¹

Agenda/Issues to Discuss¹²

1. Issue 1: Product Integration¹³

- **Topic:** Finalizing the CNY Combo (Mandarin Ice Cream with Red Popping Candy + Prosperity Bowl).¹⁴
- **Desired Outcome:** Seamless assembly—customers can buy the full set at either location or via a "split" voucher.¹⁵

2. Issue 2: The "Fortune Cookie" Mechanic¹⁶

- **Topic:** Distribution of fortune cookies containing coupons, Angpau, or wisdom.¹⁷
- **Desired Outcome:** Agreement on who bears the cost of the Angpau/coupons and the "redeem anywhere" policy.¹⁸

3. Issue 3: Marketing & Lucky Draw¹⁹

- **Topic:** Social media hashtag campaign and Grand Merch prizes.²⁰
- **Desired Outcome:** Shared marketing costs and a unified hashtag for the lucky draw entry.²¹

Negotiation Strategy²²

- **The Offer:** Mixue provides the specialty dessert; CU Mart provides the savory main and the retail space for the cookies.²³
- **The Benefit:** Both brands tap into the "CNY hype." CU Mart gets dessert-loving youngsters, and Mixue gets the lunch/dinner crowd from CU Mart.²⁴
- **The Incentive:** Cross-brand Angpau redemption ensures that a customer who visits Mixue *must* go to CU Mart (or vice versa) to claim their prize.²⁵

Summary & Finalization²⁶

- **Agreed Points:** The combo components, the Fortune Cookie tiers (Coupon/Angpau/Wisdom), and the social media entry rules.²⁷
- **Conditions:** Quality control check on the mandarin ice cream and final design approval for the "Grand Merch."²⁸
- **Timeline:** Campaign launch 2 weeks before CNY; duration of 30 days.²⁹
- **Post-Negotiation:** Design the hashtag, print the coupons, and begin staff training for Angpau redemption.³⁰
